

oil proceeds, making a total of \$100 million transferred to the escrow account.

Of this total, \$21 million has been transferred to the U.N. Compensation Fund under the terms of Resolution 778; this should be sufficient to allow it to proceed with the acquisition of the computer system and staff needed to begin full-scale adjudication of claims against Iraq. In addition, \$30 million has been earmarked for UNSCOM, and most of the remainder will provide humanitarian relief in Iraq.

As I noted in my last report, we are prepared to transfer up to \$200 million in frozen Iraqi oil proceeds to the escrow account to match transfers by others, and we are actively encouraging others to do so. These funds will be repaid, with interest, from Iraqi oil revenues as soon as Iraqi oil exports resume.

Through the International Commission of the Red Cross (ICRC), the United States, Kuwait, and our allies continue to press the Government of Iraq to comply with its obligations to repatriate or account for some 800 detained Kuwaiti and third-country nationals. An emissary of the Arab League has also undertaken to elicit Iraqi cooperation on the issue of detainees. The United States and its allies continue to press the Government of Iraq to return to Kuwait all property and equipment removed from Kuwait by Iraq. Iraq continues to withhold necessary cooperation on these issues and to resist unqualified ICRC access to detention facilities in Iraq.

In this my last report under the joint resolution, let me again note how grateful I am for the support and cooperation Congress provided during my Administration toward achieving our mutual objectives in the Persian Gulf region.

Sincerely,

George Bush
